

# Power Supply (7-10)A

## Characteristics

high stability

High precision

Can adjust

Satisfy FDA requirement

## Specification

Model	LW-P-III-D
Weight	2kg
Input Voltage	DC 5V $\wedge$ AC 80-240V
Display	Current / Temperature
Current Adjustment	Available
External Modulation	5V TTL / 5V Analogue
Max Output Current	5-10A

## Dimension
